10th Class (S.S.C) | Percentage: 100%

2019

Visakhapatnam, Andhra Pradesh

Work Experience

Full Stack Developer Intern | Vizag Steel Plant | May 2024 – June 2024

- Developed a Contract Management Tool using Java, JSP, and Oracle Database, enabling data management and storing.
- Integrated front-end and back-end systems, leveraging Java and JSP for dynamic content rendering, which improved the user experience and system efficiency.

Web Developer Intern | Adverk Technologies (Virtual) | Nov 2022 – Dec 2022

- Developed a functional and responsive calculator application using HTML, CSS, and JavaScript.
- Implemented core features such as addition, subtraction, multiplication, division, and percentage calculations.

Technical Skills

- Java | HTML | CSS | JavaScript | Data Structures and Algorithms | Git | GitHub | DBMS

Projects

Academic Projects :

Contract Maintenance System

- The Desktop Contract Maintenance System is designed to streamline maintenance activities for steel plant departments.
- It focuses on managing PC repairs and efficiently handling pending complaints.
- The system enables users to log issues, track the status of repairs, and schedule preventive maintenance.
- The application reduces manual errors and speeds up the resolution process, ultimately improving departmental productivity.

Personal Projects:

Portfolio Website | [My Portfolio](#)

- Developed a responsive website to showcase skills, projects, and experience

Tic-Tac-Toe Game | [Play Game](#)

- Created an interactive web-based tic-tac-toe game.

Certifications

- HTML & CSS | Sololearn | Coursera
- Java Programming | Internpe

Achievements

- **HOH (Hearts of Humanity) Club:** Active member, contributing to various social initiatives & community service projects.
- **Coding Competitions:** Participated in "Codher", "Prepathon", and "Code-Aces-Thon"

Strengths

- Self- Motivated
- Problem-Solving
- Time Management
- Quick Learner

Hobbies

Reading Books
Playing Sudoko
Drawing
Listening Music
